**Intro:** [Eadd9 | C#m11 | Emaj11/A Asus2 Emaj11/A Asus2 | Eadd9]

[F#m11] Curiosity [F#m11ii] killed the cat...A  
[Emaj7] cat you could call my [C#m7] faith...she  
[Asus] had as many [F#m11iii] lives as the  
[E] prophets you can name...well  
[Asus] all the king's horses or a [F#m11iii] president's men  
[E] can bring back my [C#m7] heroes from dead and  
[A] neither can they [B] even when they

**Chorus:** [Eadd9] try...still **when the [C#m11] feeling hits me right..I**  
[Emaj11/A] kinda [Asus2] sense  
[Emaj11/A] self-evi[Asus2]dence I'm [Eadd9] sure...**In the**  
[Eadd9] **moment I forget...** how all  
[C#m11] appears and what's been said...**in her**  
[Emaj11/A] **harmony**  
[Emaj11/A] I can [Asus2] see what he [Eadd9] meant

[F#m11] **Off the coast of [F#m11ii] nowhere** is  
[Emaj7] where we've ended [C#m7] up  
[Asus] took a long look at [F#m11iii] liberty and got  
en[E]tangled in this stuff...now I'm  
[Asus] **drowning in my [B5] discontent**  
[Asus] Please let his [Asus/G#] silence  
[Asus/F#] de[E]note the [E/F#] assent [E/G#]  
[Asus] **every slight nu[B5]ance and the**  
[A] **glaring noncha[B]lance** ...its his in[Eadd9]tent

**Chorus:** cause **when the [C#m11] feeling hits me right...I**  
[Emaj11/A] **kinda [Asus2] sense**  
[Emaj11/A] **self-evi[Asus2]dence I'm [Eadd9] sure**

**Bridge:** [C#m] Don't label [Bii] me as believing in an  
 [Aii] all and too often [E] underachieving  
 [C#m] hollowed hoaxing [Bii] rumor of an  
 [A] absentee prime moving looming  
 [B] laughingly late blooming holy

**Exit Chorus:**

[Eadd9] host... still when the [C#m11] feeling hits me right ...I  
 [Emaj11/A] kinda [Asus2] sense  
 [Emaj11/A] self- evi[Asus2]dence I'm [Eadd9] sure  
 ap[Eadd9]pearances aside... ad[C#m11]hearances untied ...in the  
 [Emaj11/A] absence of [Asus2] wit...I  
 [Emaj11/A] gotta ad[Asus2]mit it's quite [Eadd9] clear...in the  
 [Emaj11/A] absence of [Asus2] wit...I  
 [Emaj11/A] gotta ad[Asus2]mit it's quite [Eadd9] clear...in the  
 [Emaj11/A] absence of [Asus2] this...if [Emaj11/A] in just a  
 [Asus2] glimpse... it's quite  
 [Eadd9] clear [C#m11 | Emaj11/A Asus2 Emaj11/A Asus2 |  
 Eadd9 | E9ii]
