[F] I don't want to hear about it  
[F] Won't start the same old shouting  
[Bb] I don't really care what came [C] over you  
[F] I won't stay to see you crying  
[F] Lying there as if you're dying  
[Bb] Won't forgive again what you've [Cii] done before... I  
for[Bb]ever started walking. Be[Bb]fore you finish talking  
[F] I'll be out your [Bb] door  
[Bb] I don't want to hear it, just  
de[C]sserts you'll have to wear it... I'm  
[F] gone [Cii]

[F] I don't want to hear your story  
[F] Lame excuses fail and bore me  
[Bb] I don't really care if your [C] sweater's tight  
[F] I won't stay to see you pleading  
[F] Kissing me is self-defeating  
[Bb] Won't forget again who you [Cii] wronged me for ... I  
for[Bb]ever started walking. Be[Bb]fore you finish talking  
[F] I'll be out your [Bb] door  
[Bb] I don't want to hear it, just  
de[Cii]sserts you'll have to wear it... I'm  
[F] gone [C]

**Bridge:** [A] This has been [A] dead for a long time  
[Bb] To lies you've been [Bb] wed for a long time

[Cii] This portion I [Cii] push away
